BACKGROUND DISCUSSION:

The UDOT requires a Transfer Evaluation Study prior to any road transfers. This study will evaluate the benefits to both entities in exchanging portions of 9000 South and 7800 South. West Jordan City would transfer 9000 South from Redwood Road to 5600 West to the UDOT and the UDOT would transfer New Bingham Highway from 4000 West to 5600 West and 5600 West from 8600 South to 9000 South.

The City would transfer 7800 South from 4000 West to SR-111 to the UDOT and the UDOT would transfer New Bingham Highway from 4000 West to 5600 West and 5600 West from 8600 South to 9000 South.
